CF's Jack Wilkinson Levy Campus, established in 2017, offers a wide variety of degrees, certificates and noncredit courses to students in the broader Chiefland area and online. Levy students enjoy the amenities of the stunning, newly built campus. In addition to state-of-the-art classrooms, the Levy Campus provides areas for students to study and visit between classes.

Through the Levy Promise Scholarship, CF is offering 60 \$1,000 merit scholarships to Levy County students graduating in May to attend CF. The scholarships are made available by funds raised for the Promise for the Future Campaign, aimed at building and enrolling students in the first permanent higher education facility in Levy County. The Levy Campus is an official GED® testing site and administers the GED tests weekly.

Description: Williston lies in the northeast corner of Levy County and represents a crossroads. An American heartland small town with approximate population of 2800 people, surrounded by a variety of working farms, later-day private homesteads and miles of scenic backroads. The area attracts independent minded people from all over Florida as well as many new Floridians who want to put a little distance between their homes and the Interstate/shopping center/traffic jam scenes that so dominate our modern activities. The area has many hidden treasures that make it a wonderful place to live and work, raise a family or retire. Locals take for granted the peace and quiet of the surroundings, the low crime rate, and the overall healthy, unpolluted environment. Harriett Downs Real Estate has been proudly servicing your real estate needs for over 30 years with coverage throughout Williston and the surrounding areas including Morriston, Raleigh, Bronson, and Montbrook. As a buyer or seller, looking for a real estate partner, experience and knowledge are key factors. Our associates live here, work here and are proud of our town. Just ask!
